

ATHENS LIMESTONE ANIMAL SHELTER

LOCAL ADOPTION APPLICATION

ADULT PETS \$110/PUPPY AND KITTEN PLANS \$170

Please note: We are committed to matching the right dog to the right family so all will have many happy years together. Our adoption process includes the completion of this application and veterinarian reference, adoption fee, and a contract, stating that if the adoption does not work, you will return the animal back to the shelter. The standard adoption fee covers the dogs full vetting which includes - all routine vaccinations (parvo/distemper, bordetella, and rabies vaccination). It also includes heart worm testing, fecal, spay/neuter, and physical examine from the vet. All of our dogs are currently on heart worm preventative and flea prevention. You must be at least 18 years of age to submit an application for adoption. This application is the first step in the process.

The shelter does go on a first come basis as far as applications received, and rescues that call into the shelter. If a rescue calls in first, you can still fill out an application, but it would be up to the rescue to surrender the dog or cat, for adoption.
